

## GENERAL TERMS AND CONDITIONS

The Grantee agrees to comply with the conditions applicable to this Grant as set forth in this document.

### 1 DEFINITIONS. As used in these conditions:

1.1 "DOT" means the U.S. Department of Transportation, or the Pipeline and Hazardous Materials Safety Administration (PHMSA) or, as the context may require any other person duly authorized to assume the functions necessary to provide guidance for the activities to be performed under this Grant.

1.2 "Project" means a specific planning or training activity or initiative.

1.3 "Program" means those projects and activities described in or associated with the DOT Assistance Agreement, including any approved amendment to the agreement that has been made a part of this Grant.

### 2 ACCOMPLISHMENT OF THE PROGRAM.

2.1 **General Requirements.** The Grantee must commence, carry out, and complete the program with all practicable dispatch, in a sound, economical, and efficient manner, and in accordance with the terms of this document, the Application, Annual Plans and all applicable laws, regulations, project or program schedules, and published policies. The terms of 49 CFR Part 18, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments," apply to this Grant.

2.2 **Period of Performance.** The period of performance on this grant runs from the effective date of the grant through September 30, 2009 unless terminated earlier in writing by PHMSA.

2.3 **Compliance with Federal, State, and Local Law.** In performing its obligations under this Grant, the Grantee agrees to comply with all applicable provisions of Federal, State, and local laws, regulations, and DOT directives. The Grantee understands and agrees that Federal laws, regulations, policies, and related administrative practices in force and made applicable to this Grant on the date of execution may be modified, and that the most recent of such provisions will govern administration of this Grant, except if there is sufficient evidence in the Grant of a contrary intent. Likewise, new Federal laws, regulations, policies and administrative practices that are established after the date of execution may be applied to this Grant. To comply with these requirements, the Grantee must include notice of such requirements in all third party contracts, subcontracts, sub-grants, and other sub-assistance agreements financed with DOT assistance. All limits or standards set forth in this Grant are minimum requirements. If there is a conflict

between Federal and State or local requirements, the Grantee must inform DOT in order that an appropriate resolution may be arranged.

**2.4 Use of Program funds.** A grantee must use program funds only for those expenditures incurred for approved activities in accordance with the Grant Instructions, and the cost principles of OMB Circular A-87, Revised, which are incorporated by reference in 49 CFR Part 18.

### **3 REPORTS, INFORMATION AND DELIVERABLES.**

**3.1 The Grantee must submit the following reports to DOT:**

**3.1.1** End of Performance/Budget Period Progress Report. See the attached page titled "Reporting Requirements for HMEP Planning and Training Grantees" for additional information.

**3.1.2** End of Performance/Budget Period Financial Status Report - SF 269. See the attached page titled "Reporting Requirements for HMEP Planning and Training Grantees" for additional information.

**3.1.3** Special reports necessary by the nature of the Grant and agreed upon by DOT and the Grantee.

**3.2 Due Dates for Reports.** The Grantee must submit the End of Performance/Budget Period Progress Report and Financial Status Report (SF 269) to PHMSA/DOT no later than 90 days after the performance/budget period ends.

**3.3 Project Technical Reports.** The Grantee should prepare Project Technical Reports according to the Standards in DOT Order 1700.18B, "Acquisition, Publication and Dissemination of DOT Scientific and Technical Reports." The Grantee may use an alternative format for a Project Technical Report when appropriate for communicating the results of research to a particular audience, as may be the case with a technology sharing or management and policy report.

**3.4 Copyrightable Work.** If the Grant results in a book or other copyrightable work, the Grantee or author may copyright the work, provided that the Grantee or author provides DOT a royalty-free, nonexclusive and irrevocable license to reproduce, publish, or otherwise use the work, and to authorize others to do so, as set forth in Section 17 below.

**3.5 Published Training Materials.** If the Grantee publishes training materials that have been prepared with Grant funds, the Grantee must provide DOT reprints of the publication at no cost to DOT. The Grantee must acknowledge any publication based on work supported by DOT

essentially as follows:

"Publication of training materials was supported by the U.S. Department of Transportation, Pipeline and Hazardous Materials Safety Administration, Grant No. \_\_\_\_\_."

4 **NON-FEDERAL SHARE.** A non-Federal share of not less than 20 percent of the total project cost is required as a condition of this Grant. The contributions that constitute this non-Federal share must equal (or exceed) the amount designated in the DOT Assistance Agreement and must be used directly in connection with the approved activities. Unless specifically permitted by Federal law, no portion of the non-Federal share shall be derived from other Federal sources or consist of services, property, or funds used as the non-Federal share under other projects, grants, or cooperative agreements. Federal funds may be expended before non-Federal matching funds, provided that total program costs at completion of the annual program reflect payment from the Federal and non-Federal shares in equal amounts.

5 **CHANGED CONDITIONS OF PERFORMANCE (Including Litigation).** The Grantee must immediately notify the DOT of any change in local law, conditions, or any other event, including any litigation challenging the validity of or seeking interpretation of any Federal law or regulation applicable to the Federal Hazardous Materials Transportation program, which may significantly affect the Grantee's ability to perform the program in accordance with the terms of this Grant. In addition, the Grantee must immediately notify the DOT of any decision pertaining to the Grantee's conduct of litigation that may affect DOT interests in the program or DOT administration or enforcement of applicable Federal laws or regulations. Before the Grantee joins (as a named party) in litigation that affects DOT interests in the program or DOT administration or enforcement of applicable Federal laws or regulations, the Grantee must inform DOT.

6 **ACCOUNTING RECORDS.**

6.1 **Program Accounts.** The Grantee must establish and maintain as separate, or within the framework of an established accounting system, accounts for the program in the manner consistent with OMB Circular A-87 and 49 CFR Part 18.

6.2 **Funds Received or Made Available for the Program.** As provided in 49 CFR Part 18, the Grantee must record in the program account, and deposit in a bank or trust company, all program payments the Grantee receives from DOT pursuant to this Grant and all other funds provided for, accruing to, or otherwise received on account of the program ("Program Funds").

6.2.1 Consistent with the national goal of expanding the

opportunities for minority business enterprises, the Grantee and its sub-recipients are encouraged to use minority banks. A list of minority owned banks can be obtained from the Minority Business Development Agency, Department of Commerce, Washington, D.C. 20230.

**6.2.2 Allowable Costs.** DOT will reimburse as allowable costs expenditures made by the Grantee to the extent that they meet all of the following requirements. Expenditures must:

- 6.2.2.1 Be made in conformance with the Grant Instructions, the program budget and all other provisions of this Grant;
- 6.2.2.2 Be necessary to accomplish the program objectives;
- 6.2.2.3 Be reasonable in amount for the goods or services purchased;
- 6.2.2.4 Be actual net costs to Grantee (i.e., price paid minus any refunds, rebates, or other value received by the Grantee that have the effect of reducing the cost actually incurred, excluding program income as defined in OMB Circular A-87, Revised);
- 6.2.2.5 Be incurred (and be for work performed) after the date of this Grant, unless specific authorization from DOT to the contrary is received;
- 6.2.2.6 Be in conformance with the standards for allowability of costs set forth in OMB Circular A-87, Revised;
- 6.2.2.7 Be satisfactorily documented; and
- 6.2.2.8 Be treated uniformly and consistently under accounting principles and procedures approved or prescribed by DOT for the Grantee; and those approved or prescribed by the Grantee for its contractors, subcontractors, or sub-grantees.

**6.3 Documentation of Program Costs and Income.** The Grantee must support all costs charged to the program, including any approved services contributed by the Grantee or others, by properly executed payrolls, time records, invoices, contracts or vouchers evidencing in detail the nature and propriety of the charges. The Grantee must maintain accurate records of all program funds derived from the implementation of the program. This

provision does not apply to income of the Grantee that DOT has determined is private.

**6.4 Checks, Orders, and Vouchers.** A Grantee may draw a check or order for any item that is or will be chargeable against the program account only if a properly signed voucher is on file with the Grantee. The voucher must state in detail the purpose for which such check or order is drawn. A Grantee must clearly identify, make readily accessible, and keep separate all accounting documents that pertain to the program from all other such documents. Accounting documents include, but are not limited to, checks, payroll documents, invoices, contracts, vouchers and orders.

#### **6.5 Audit and Inspection.**

**6.5.1** The Grantee must permit the Secretary and the Comptroller General of the United States, or any of their duly authorized representatives to inspect all work, materials, payrolls, and other data and records that pertain to the program, and to audit the books, records, and accounts of the Grantee and its sub-grantees or contractors that pertain to the program.

**6.5.2** For contracts or sub-grants awarded under other than competitive bidding procedures as defined by the Secretary and the Comptroller General of the United States, the Grantee is responsible for meeting the audit requirements of OMB Circular A-128, or any revision or supplement to the circular.

**6.5.3** Closeout of the program will not alter the Grantee's audit responsibilities.

### **7 PAYMENTS.**

**7.1** In order to receive payment of the Federal share during the performance/budget period, the Grantee must submit the Request for Advance or Reimbursement form (SF 270) to PHMSA/DOT. Once the performance/budget period has ended, Grantee is also required to submit the End of the Performance/Budget period financial status report (SF 269) within 90 days. (See Section 3 regarding required Reports.)

To receive federal assistance payments during the performance/budget period, the following steps must be taken:

**7.1.1** Grantee must ensure that a completed form, "Automated Clearing House Vendor Miscellaneous Payment Enrollment Form is on file with DOT's finance office. (See "Payment Procedures" on the attached page titled "Reporting Requirements for HMEP Planning and Training Grantees.")

**7.1.2** Grantee must complete and submit the form SF 270,

"Request for Advance or Reimbursement" to PHMSA/DOT.

7.2 After receiving the properly completed forms identified in Section 7.1, DOT will authorize payment by the Automated Clearing House Network (ACH) if the Grantee:

7.2.1 Is in compliance with its obligations under the Grant;

7.2.2 Has satisfied DOT of the appropriateness of the expenditures for the requisition period; and

7.2.3 Is making satisfactory progress toward Program goals and objectives.

7.3 If all the conditions of Subsection 7.2 are met, then DOT will reimburse allowable costs incurred by the grantee up to the maximum amount of Federal funding allowable.

#### 7.4 Disallowed Costs.

7.4.1 To determine the amount of Federal assistance DOT will provide, DOT will exclude:

7.4.1.1 All program costs incurred by the Grantee prior to the date of this Grant or the approved program budget (whichever is earlier) unless otherwise permitted by Federal law or regulations or unless an authorized representative of DOT advises in writing to the contrary;

7.4.1.2 Any costs incurred by the Grantee which are not provided for in the latest approved budget for the program; and

7.4.1.3 Reimbursement of any cost in accordance with this section is not a final DOT decision about the allowability of such cost and is not a waiver of any violation by the Grantee of the terms of this Grant. DOT will make a final determination of allowability only after an audit of the program has been conducted. If DOT determines that the Grantee is not eligible to receive any or all of the Federal funds requested, DOT will notify the Grantee stating the reasons for DOT's determination.

7.4.2 Unless prohibited by law, DOT may offset any

Federal assistance funds to be made available under this program to satisfy any monetary claims that DOT may have outstanding against the Grantee.

**7.4.3** Program closeout will not alter the Grantee's obligation to return any funds due to DOT as a result of later refunds, corrections, or other transactions. Program closeout will not alter DOT's right to disallow costs and recover funds on the basis of a later audit or other review.

**8 Prohibition Against Use of Federal Funds for Lobbying.** The Grantee must comply with the provisions of 31 U.S.C. § 1352 as implemented by DOT regulations in 49 CFR Part 20, "New Restrictions on Lobbying" and must furnish the required DOT certification.

**9 Interest.** The following requirements apply to Grantees:

**9.1 Any interest earned on Federal funds** by the Grantee must be remitted to DOT, except as provided by the Intergovernmental Cooperation Act, 31 U.S.C. § 6503(a), and the Indian Self-Determination Act, 23 U.S.C. § 450. The Grantee may retain interest amounts of up to \$100 per year for administrative expenses.

**9.2 If DOT notifies the Grantee of specific amounts due DOT,** the Grantee must promptly remit any excess payment of amounts or disallowed costs to DOT.

**10 Deobligation of Funds.** In order to ensure reimbursement, the required financial forms must be submitted to DOT within 90 days after the end of the current performance/budget period. PHMSA/DOT will deobligate unspent Federal funds at program closeout. PHMSA/DOT reserves the right, if circumstances warrant it, to deobligate unspent Federal funds prior to program closeout.

## **11 RECORDS.**

**11.1 The Grantee must maintain records** for the Grant to comply with 49 CFR § 18.42. Section 18.42 provides that the Grantee must for 3 years retain financial records, supporting documents, statistical records, records for non-expendable property, and all other records pertinent to the Grant. The retention period for this grant starts from the date of the submission of the final Financial Status Report (SF 269). The following exceptions apply to the 3-year period:

**11.1.1.** Records associated with any litigation, claim or audit started before the expiration of the 3-year period, must be retained until all litigation, claims or audit findings involving the records have been resolved; and

11.1.2 When records are transferred to or maintained by DOT, the 3-year retention requirement is not applicable to the Grantee.

12 **RIGHT OF DOT TO SUSPEND OR TERMINATE THE GRANT.** Pursuant to 49 CFR 18.43, DOT may by written notice to the Grantee, suspend or terminate all or part of the financial assistance provided under this agreement if DOT determines that the grantee materially fails to comply with the terms of the grant. DOT will deem any failure to make reasonable progress or other violation of the Grant that significantly endangers substantial performance of the program a breach of this Grant.

13 **INTEREST OF CERTAIN FEDERAL OFFICIALS.** A grantee must not offer to a member of, or delegate to, the Congress of the United States of America, or to a resident Commissioner, any portion of the grant or financial benefit.

14 **EQUAL EMPLOYMENT OPPORTUNITY.**

14.1 In carrying out the approved program, the Grantee will not discriminate against any employee, applicant for employment, fellow or scholarship recipient because of race, color, age, creed, sex, sexual orientation, or national origin.

14.2 The Grantee will take steps to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, age, creed, sex, or national origin. There shall be no discrimination in actions such as employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

14.3 The Grantee agrees to post in conspicuous places, available to employees, applications for employment, names of students, fellows and recipients of scholarships, fellowships and assistantships, and notices setting forth the provisions of this Equal Opportunity clause.

14.4 The Grantee must send to each labor union or representative of workers with which it has a collective bargaining or other agreement or understanding, a notice, advising the labor union or workers' representative of the Grantee's commitments under this Equal Opportunity clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

14.5 The Grantee must comply with all provisions of Executive Order No. 11246 (September 24, 1965), and of the rules, regulations, and relevant orders of the Secretary of Labor.

14.6 The Grantee must furnish all information and reports required by Executive Order No. 11246 (September 24, 1965), or by the rules, regulations, and orders of the Secretary of Labor. The Grantee must also

permit DOT and the Secretary of Labor access to the Grantee's books, records and accounts for DOT and the Labor Secretary to determine the Grantee's compliance with the Executive Orders, rules and regulations.

14.7 If the Grantee does not comply with the Equal Opportunity provision of this grant or with any of the said rules, regulations, or orders, this grant may be canceled, terminated, or suspended, in whole or in part, and the Grantee may be declared ineligible for further Federal Grants, Cooperative Agreements, or Contracts.

14.8 The Grantee must include the provisions of TITLE VI of the Civil Rights Act of 1964 in every sub-agreement or purchase order, unless exempted by the Secretary of Labor, so that such provisions will be binding upon each sub-grantee or contractor. The Grantee must take such action with respect to any sub-agreement or purchase order as DOT may direct as a means of enforcing such provisions, including sanctions for noncompliance. However, if the Grantee becomes involved in, or is threatened with, litigation with a sub-grantee or contractor as a result of such direction by DOT, the Grantee may request DOT to enter into such litigation to protect the interests of DOT.

15 COMPLIANCE WITH TITLE VI OF THE CIVIL RIGHTS ACT OF 1964. The Grantee must comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d), with DOT regulations entitled, "Nondiscrimination in Federally-Assisted Programs of the Department of Transportation--Effectuation of Title VI of the Civil Rights Act of 1964," 49 C.F.R. Part 21, and any other applicable regulations. The Grantee must submit, in compliance with Title VI, the DOT Title VI assurances which are provided as part of the application for this Grant.

## 16 PATENT RIGHTS.

16.1 In arrangements between the Grantee and DOT and in all third-party Agreements at any tier with any small business firm, non-profit organization, or university, the patent rights clause of Attachment A of OMB Circular No. A-124, (implementing the Patent and Trademark Amendments of 1980, 35 U.S.C. § 200 et. seq.) and any subsequent amendments will apply, when the purpose is to perform experimental, development, or research work.

16.2 The Grantee must notify DOT promptly if any patentable invention(s) (i.e., processes, compositions of matter, or items thought to be new) is produced in the course of work done under this Grant. Except as stated in 37 CFR § 401.3(a), the Grantee's given the right to retain title to any patents issued for work performed under this grant.

## 17 COPYRIGHTS.

17.1 Except as otherwise provided in the terms and conditions of this agreement, the author or the Grantee organization may copyright any

books, publications, or other copyrightable materials developed in the course of or under this Grant. However, DOT reserves a royalty-free, nonexclusive and irrevocable license to reproduce, publish or otherwise use and to authorize others to use the work for Federal Government purposes.

18 The Grantee must not incorporate material copyrighted by others into any work product delivered under this Grant unless it has acquired for DOT a royalty-free, nonexclusive and irrevocable license to reproduce, publish or otherwise use and to authorize others to use the work for Government purposes.

18.1 The Grantee may arrange for publication of initial reports of original research, supported in whole or in part by DOT grant funds, in primary scientific journals and copyright by the journal unless the journal's copyright policy would preclude individuals from making or having made by any means available to them, without regard to the copyright of the journal and without royalty, a single copy of any such article for their own use.

## 19 RIGHTS IN DATA.

19.1 The term "subject data" as used in this agreement means recorded information, whether or not copyrighted, that is delivered or specified to be delivered under this Agreement. The term includes graphic or pictorial delineations in media such as drawings or photographs; audio-visual recordings such as films and videotapes; text in specifications or related performance or design-type documents; machine forms such as punched cards, magnetic tape, or computer memory printouts; and information retained in computer memory.

19.1.1 Examples of "subject data" include, but are not limited to: engineering drawings and associated lists; specifications; standards; process sheets; manuals; technical reports; catalog item identifications; and related information.

19.1.2 The term does not include financial reports, costs analyses, and similar information incidental to program administration.

19.2 With respect to all subject data first produced in the performance of this Agreement, DOT reserves a royalty-free, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal Government purposes:

19.2.1 Any work developed under the grant, sub-grant, or third-party contract, irrespective of whether or not a copyright has been obtained; and

19.2.2 Any rights of copyright to which the Grantee, sub-grantee, or a third-party contractor purchases ownership with DOT

assistance.

19.3 When DOT provides assistance to a Grantee for a program involving emergency planning and training, it is DOT's intent to increase the body of transportation knowledge, rather than to limit the benefit of the program to the parties to the agreement. Therefore, the Grantee that has received assistance to support research, financed under the Federal Hazardous Material Transportation Law (49 U.S.C. Section 5101 et. seq.), understands and agrees that, in addition to the rights set forth in Subsection 19.2 of this Agreement, DOT may make available to any DOT Grantee, sub-grantee, sub-recipient, third-party contractor, or third-party subcontractor, either DOT's license in the copyright to the "subject data" derived under this Agreement or a copy of the "subject data" first produced under this Agreement.

19.4 The Grantee must indemnify, save and hold harmless DOT, officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Grantee of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under this Agreement.

19.5 Nothing contained in this clause implies a license to DOT under any patent or can be construed as affecting the scope of any license or other right otherwise granted to DOT under any patent.

19.6 Subsections 19.2 through 19.4 of this document are not applicable to material furnished to the Grantee by DOT and incorporated in the work furnished under the Agreement, provided that the Grantee identifies the incorporated material when the work is delivered.

19.7 If the program, which is the subject of this Agreement, is not completed, for any reason whatsoever, all data developed under that program becomes subject data as defined in Subsection 19.1 of this Agreement and must be delivered as DOT may direct.

19.8 The requirements of Subsections 19.1 through 19.7 of this document must be included in all third-party contracts of the Grantee under this program.

## 20 COLLECTION OF DATA

20.1 The Grantee may use DOT grant funds to collect information under the following conditions:

20.1.1 When the collection of information is not a primary objective of the grant, but is incidental to a grant supported activity;

and

20.1.2 When the collection of information is the primary objective of the grant, but such information is not intended primarily for the use of the Government or a party designated by the Government.

20.2 Persons collecting information under either of the two conditions above, are prohibited from representing to their respondents that the information is being collected for, or in association with, the Federal Government unless DOT has given prior written approval. DOT is responsible for obtaining any necessary prior clearance by OMB.

20.3 OMB clearance is required whenever DOT sponsors the use of a reporting form or plan to collect identical kinds of information or data from 10 or more persons. A reporting form or plan used by a Grantee is considered to be sponsored by DOT when one or more of the following circumstances exist:

20.3.1 DOT authorizes the recipient to represent to respondents that the information is being collected for, or in association with, DOT; or,

20.3.2 The recipient uses the report form to collect information that the DOT has requested for the planning, operation, or evaluation of its program.

20.4 DOT and OMB approval are required if the use of a report form or plan presents a relatively high risk of unwarranted invasion of privacy.

21 TITLE TO SUPPLIES AND EQUIPMENT. Pursuant to the Authority of 31 U.S.C. § 6306, the Administrator of PHMSA has determined that:

21.1 Title to equipment purchased or fabricated under this grant vests in the Grantee, without further obligation to DOT except as provided in Subsection 21.2; and

21.2 DOT reserves the right to require the Grantee to transfer title to items of equipment to DOT or to a third-party named by DOT, where such third-party is otherwise eligible under existing statutes. This reservation may be exercised at any time, but no later than 120 days after DOT has received a final fiscal report (or special equipment acquisition report, if required) from the Grantee after completion or termination of the grant. Such right to require transfer of title does not apply to any items of equipment with an acquisition cost of less than \$5,000.

22 PRIVACY. Should the Grantee, or any of its third-party contractors, sub-grantees, or their employees administer any system of records on behalf of DOT, the Privacy Act of 1974, 5 U.S.C. § 552a (the Act),

imposes information requirements on the party administering the system of records.

22.1 When the Agreement involves the operation of a system of records on individuals to accomplish a DOT function, the Grantee and any third-party contractors, sub-Grantees, and their employees involved in the function are considered, for purposes of the Privacy Act, to be DOT employees with respect to the DOT function. The requirements of the Act, including the civil and criminal penalties for violations of the Act, apply to those individuals involved. Failure to comply with the Privacy Act or this Section 22 subjects this agreement to termination.

22.2 Definitions. As used in Section 22:

22.2.1 "Operation of a system of records" means performance of any of the activities associated with maintaining the system of records on behalf of DOT including the collection, use and dissemination of records.

22.3 "Records" means any item, collection, or grouping of information about an individual that is maintained by the Grantee on behalf of DOT including, but not limited to, his or her education, financial transactions, medical history, and criminal or employment history and that contains his or her name, or the identifying number, symbol, or other identifying particular assigned to the individual, such as a finger or voice print or a photograph.

22.3.1 "System of records" on individuals means a group of any records under the control of the Grantee on behalf of DOT from which information is retrieved by the name of the individual or by some identifying number, symbol or other identifying particular assigned to the individual.

22.4 The Grantee agrees:

22.4.1 To comply with the provisions of the Privacy Act of 1974, 5 U.S.C. § 552a and, implementing regulations when performance under the program involves the design, development, or operation of any system of records on individuals to be operated by the Grantee, its third-party contractors, subcontractors, sub-grantees, or their employees to accomplish a DOT function;

22.4.2 To notify DOT when the Grantee or any of its third-party contractors, subcontractors, sub-grantees, subrecipients, or their employees anticipate operating a system of records on behalf of DOT in order to implement the program, if such system contains information about an individual's name or other identifier assigned to the individual. The Grantee may not use a system of records subject to the Act in performing this Agreement until the necessary and applicable approval and publication requirements have been met. The Grantee, its

third-party contractors, subcontractors, sub-grantees, and their employees agree to correct, maintain, disseminate, and use such records in accordance with the terms of the Act, and to comply with all applicable terms of the Act;

**22.4.3 To include in every solicitation and in every third-party contract, sub-grant, when the performance of work under that proposed third-party contract, sub-grant, or sub-agreement may involve the design, development, or operation of a system of records on individuals to be operated under that third-party contract, sub-grant, or to accomplish a DOT function, a Privacy Act notification informing the third-party contractor, or sub-grantee, that it will be required to design, develop, or operate a system of records on individuals to accomplish a DOT function subject to the Privacy Act of 1974, 5 U.S.C. § 552a, and applicable DOT regulations, and that a violation of the Act may involve the imposition of criminal penalties; and**

**22.4.4 To include the text of Subsections 22.4.1 through 22.4.3 in all third-party contracts, and sub-grants under which work for this Agreement is performed or which is awarded pursuant to this Agreement or which may involve the design, development, or operation of such a system of records on behalf of DOT.**

**23 DRUG-FREE WORKPLACE REQUIREMENTS.** The Grantee agrees to comply with DOT regulations, "Drug-Free Workplace Requirements (Grants)," 49 C.F.R. Part 29, Subpart F, and to submit the required certification.

**24 DEBARMENT AND SUSPENSION.**

**24.1 The Grantee must furnish the certification required by DOT regulations, "Government Debarment and Suspension (Non-procurement)" (49 CFR Part 29).**

**24.2 The Grantee must obtain from its third-party contractors, subcontractors and sub-grantees the certification required by 49 CFR Part 29.**

**25 FALSE OR FRAUDULENT STATEMENTS OF CLAIMS.** The Program Fraud Civil Remedies found in 49 C.F.R. Part 31 apply to this program. The Grantee acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification to DOT in connection with this program, DOT has the right to pursue and impose on the Grantee civil and criminal penalties.

**26 WAIVERS OR REVISIONS.** To be valid, a waiver of any condition to this Grant, or any revision to the approved Program Plan and budget must be in writing from a duly authorized official of DOT.

**27 MODIFICATIONS.** A modification to the General Terms and Conditions of the Grant Agreement must be made by formal amendment. An amendment is

not valid until signed by both parties and made a part of the Grant Agreement. A Grantee's request to reallocate funds among budget items of fiscal years does not require formal amendment, if the reallocation does not increase the amount of the Grant. The Grantee may submit such a request to the HMEP Grants Manager for approval.

## **28 MISCELLANEOUS.**

**28.1 Bonus or Commission.** The Grantee warrants that it has not paid, and also agrees not to pay, any bonus or commission for the purpose of obtaining an approval of its application for a grant under the HMEP grant program.

**28.2 Application Assurances and Certifications.** The Grantee must comply with all assurances and certifications executed and submitted as part of the application for this Grant.

**28.3 State or Territorial Law.** Nothing in the grant requires the Grantee to observe or enforce compliance with any provision thereof, perform any other act, or do any other thing in contravention of any applicable State or Territorial law. However, if any provision of the Grant violates any applicable State or Territorial law or if compliance with any provision of the grant would require the Grantee to violate any applicable State or Territorial law, the Grantee must notify DOT immediately.

**28.4 Severability.** If any provision of this grant is held invalid, the remaining provisions of this grant are not affected.

**NOTE:** Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:
